

## **Laboratory Assistant**

Dow Development Laboratories is a contract topical drug research and development service provider, with facilities located in Petaluma, CA. We are currently seeking qualified individuals for a Laboratory Assistant role.

The Laboratory Assistant is responsible for cleaning laboratory equipment and lab work areas plus restocking supplies as needed. Specific tasks include washing, drying and storing glassware and lab equipment, cleaning sink and lab benches, performing daily balance weight checks and pH meter standardizations plus lab supply restocking. This position maintains chemical inventory and related chemical material documents and supports with extra projects as needed.

This individual must be able to effectively communicate with the Supervisor and team members. They must be willing to learn and follow directions while working independently and as a part of the team. Successful candidates will have the ability to work with computers (including Microsoft Word and Excel) and be organized.

Candidates may be required to move items weighing up to 20 pounds and must have sufficient manual dexterity to perform tasks. The Laboratory Assistant is required to stand for long periods of time.

This is a part to full-time regular position offering a competitive salary and benefits package in a friendly work environment. Salary and grade level will be commensurate with experience and education level.

To apply, please submit your cover letter and resume to Human Resources via email at [mmorelli@symbioresearch.com](mailto:mmorelli@symbioresearch.com).

Dow Development Laboratories is an equal opportunity employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status. Reasonable accommodations may be made to enable qualified individuals with disabilities to perform the essential functions of this position.
